## CONFERENCE ON COLLEGE ATHLETICS

Future of Sports Will Have Bearing on a Meeting Which Will  
be Held Today in New York—Delegates From Leading  
Colleges Will be in Attendance.

New York, May 25.—Two conferences which will have an important bearing on the immediate future of college athletics in the east will be held in this city tomorrow. Late in the afternoon there will be a meeting of the graduate athletic managers' association. In the evening the officers of the central board of football officials will meet.

A number of varsity football team captains and managers are expected to be present and the outlook for the football season next fall will be carefully canvassed with the idea of ascertaining to what extent the various institutions may be counted upon in the way of representative eleven.

Aside from those universities holding membership in the A. A. U., it is expected that a number of other colleges will have either graduate or undergraduate managers in attendance. Delegates from Harvard, Yale, Princeton, Columbia, Pennsylvania, Cornell, Dartmouth, Syracuse, Colgate, Brown, Amherst and other institutions are likely to attend and still others will be represented by proxy.

The meeting of the season of 1917-18 will be discussed and reports made regarding probable conditions at the various institutions for the coming term.

Several of the faculties of prominent eastern colleges have intimated that the regular routine will be resumed next fall with the addition of military drill and training. Under the conditions, football, track, crew, baseball and indoor games are likely to find a prominent place in the college life. All these matters will be considered at the graduate athletic managers' meeting and an effort made to arrange a plan of campaign.
